## From The President's Desk

Summertime, and the vacations come easy.

We are currently in the UK for daughter Sarah's Grad ceremony, which just happens to fall a week after the British GP. We have been able to fly in a bit early, take in the F1 action, do a bit of a drive-about, then hit Cornwall before heading home.

We have picked up our BMW 520d (only 2,000 miles on the odo), and made it to our bed and breakfast near the track. Yesterday was track-walk day, and we had to fight the crowds around the Hamilton-Mercedes paddock. Things get crazier the closer we get to race day. Traffic is busy, and campers are moving in. Watch the TAC Facebook page for photos and the odd comment. Everyone is cheering for Lewis Hamilton, but I'm having fun cheering for Canadian Lance Stroll.

Unfortunately, our luggage didn't make the tight connection in Montreal, so we spent much of the Friday practice day shopping for clothes to carry us over until the bags show up. Hopefully Air Transat will cover the cost of my Red Bull polo shirt!

Prior to leaving, we worked Brooke's very well run Discover Ontario Rally. We had lots of cars and competitors, and Sue and I enjoyed the countryside around Woodstock. Great work from Brooke, who always manages to find fun roads in different parts of the province every year!

Just before we flew out, we had our IMSA picnic at the Canadian Tire Motorsport Park. Mosport always hosts us in our own corral on top of turn 2. This year, we had 35 people come out - the highest it's been in quite a while! Dan Zorica and Andrew Tulett ran the barbecue, cranking out amazing burgers, kabobs, bacon, and bops. People brought some very nice salads and deserts, and we got to watch some excellent racing.

People are always watching for the crashes, and this year we were not disappointed. One car was bumped in the middle of turn 2, and drove straight into the tire wall. The car disappeared in so deep that it couldn't be seen. Pulling out tire bundles exposed the car, and the driver was loaded onto a stretcher, where he sat up and waved to the crowd as he was checked over by the medical team.

This event is always a highlight of our social calendar, and this year was one of the best! Thanks to everyone who came out and brought family & friends.

Well, I'm off to the track to take in some racing, then up to Scotland to drive some of the roads featured on The Grand Tour, with the Top Gear guys. I hope we get back in time for Sarah's graduation ceremony!

Rob
TAC President

## One Week With a Miata

It all began when Ingrid won a "2019 Mazda Miata for 1 Week" from a charity silent auction. "It will be great!" She said; "We can go on a vacation". Certainly some readers will be intimately familiar with the Miata. But for us, this was our first impression up close. This latest generation certainly delivers the goods along with the up to date modern conveniences. Moffat Mazda in Barrie was the provider of that charity prize with the car sourced from Mazda Canada. So we (mostly Ingrid) wrote up the following trip report for Moffat Mazda.

We would like to thank Mazda Canada and Moffat Mazda for the wonderful opportunity to drive this brilliant red Mazda Miata MX5 convertible. Also many thanks to the friendly and helpful staff at Moffat Mazda; Steve, Heather, Mark, Greg and Matt. We had purchased this week with the Miata from the silent auction table at the Annual Gala for The Olive Branch for Children. Thanks for your support of this charity.

Late afternoon on Monday, June 17, 2019, we picked up the Mazda in Barrie We had planned on driving around southern Ontario for a week. We overestimated the trunk space but we did manage to squeeze in the two small suitcases we brought.

Leaving in the direction of Niagara on the Lake, taking mostly secondary highways and county roads, we reached Hamilton the first night. The next day we toured the Royal Botanical Gardens, Niagara on the Lake and Niagara Falls. Spent night #2 in Fort Erie.

Day 3, we drove to Leamington, taking as many roads as close to the shore of Lake Erie as possible. Drove past abandoned tobacco houses, huge mansions, tiny ivy covered cottages, ginseng fields and wind turbines everywhere!

Thursday we had wanted to visit Pelee Island but we woke up to rain. No leaks from the soft top at all. We decided to just drive. So we drove along the coast of Lake Huron, stopping to visit some of the beautiful towns along the way. Drove all the way to Tobermory. This was the only day we drove with the top up.

Friday we took the ferry to Manitoulin Island where we drove around for a bit and decided to give the car a wash. We continued on to Sudbury to visit the Big Nickel and a hydraulic air compressor.

Saturday we drove to Parry Sound and stayed the day and night with some friends at their cottage on the bay.

Sunday we drove around Georgian Bay stopping at Port McNicol to tour the SS Keewatin, a passenger/cargo steam ship that sailed the Great Lakes from 1907 to 1965. Continued on through all the beach towns along Georgian Bay and spent the night in Thornbury before returning the car on Monday. Total trip - 2100km!

Driving the 2019 Miata was great. Not only has it great performance but our fuel consumption beat the published ratings noticeably. The colour, Soul Red Crystal Metallic, really suited this car. We got several unsolicited comments on the Miata too, which are easy to receive when the top is down. The top itself couldn't be easier to raise and lower, kudos to Mazda for making this work so well.

RE: Recent regulatory amendments made under the Highway Traffic Act

This memo is to notify you of recent changes to regulations under the <u>Highway Traffic Act</u> (HTA) related to personal-use pickup trucks and trailers.

I would like to thank everyone that provided feedback for the valuable information and expertise that helped bring these changes to completion.

Effective July 1, 2019, pickup trucks and trailers for personal use are exempt from the requirement for an annual inspection (both the inspection and displaying the yellow decal/sticker).

A pickup truck and any trailer drawn by the pickup truck qualify for the exemption provided the following criteria is met:

- The pickup truck and trailer are being used for personal use without compensation; AND
- The pickup truck and trailer are NOT carrying commercial tools or cargo, or equipment of a type normally used for commercial purposes.

For the exemption to apply, the pickup truck must:

- Have a manufacturer's Gross Vehicle Weight Rating (GVWR) of 6,500 kg or less AND
- Be fitted with either the original, unmodified box that was installed by the manufacturer or an unmodified replacement box that duplicates the one originally installed by the manufacturer.

For consistency and clarity, effective July 1, 2019, the weight threshold for other exemptions already granted to personal-use pickup trucks under the HTA related to Commercial Vehicle Operator's Registration (CVOR), daily inspections, hours of service and class of driver's licence for towed house trailers will change from 6,000 kg GVWR to 6,500 kg GVWR.

Additional details will be available on the ministry's website at: http://www.mto.gov.on.ca/english/trucks/index.shtml

Questions about these changes may be directed to cvor@ontario.ca or 1-800-387-7736 (within Ontario) or 1-416-246-7166.

Please share this information with members of your organization. I personally want to thank you for your support and assistance with this initiative.

Regards,

12
