# The President's Annual Report

The State of the Club is Strong!

We have a great core of people who are organizing events and enjoying events others are organizing.

We have 99 members, close to our numbers over the past few years. We have a healthy bank account, and we are planning another busy year for 2020.

For 2019, we ran 2 Navigational Rallies, the January Jaunt and the Discover Ontario. Thanks to Kurt Seelenmayer and Brooke Jacobs for continuing to put our events on the RSO calendar.

Besides these rally events, we hold 2 contract rallies for the Guru Nanak Foundation and Zonta Club of Toronto. These are major fundraisers, and we are proud to be part of their efforts. Thanks to Paul, Rita, Fred & Jane, who put these together along with their green crews and event hosts.

Vice President Paul still organizes the best Ice Race of the series. We will be back in Minden for the weekend of Feb 29/Mar 1 for 2020. Please drop Paul a note if you can help out. We will cover accommodation and meals, and you get to have a great time watching (or riding with) the racers!

We will be supporting the CASC Ontario Time Attack series in 2020 as we did in 2019, with the school in early May and events through the summer at Shannonville, Canadian Tire Motorsport Park, and Toronto Motorsport Park.

Gary, from our club is the secretary of the organizing committee, and runs the TAC weekend event. Our members also compete in the CASC Autoslalom series, with events around the province. Member Keith gets out to most events and helps run the timing gear. This is a great intro event that will get you addicted to speed competition!

We had a great weekend at CTMP watching the IMSA races in July. This is Mosport's premier event, and they continue to give us the perfect spot to watch from. Head chefs Dan & Andrew always

impress with their burgers and other barbecued goods! Expect to be back July 3-5 in 2020.

And our Social Director, Fred, will host our culminating social event at our Awards Banquet on November 30. Watch for details and see who the award recipients will be!

We have 244 people following us on Facebook.

Given that is more than double our membership, our social media presence is being noticed! The things shared on there are entertaining and informative.

Members Brooke and Mitch have been running their F1 Pool for more years than I can remember.

It makes the sometimes boring races a blast to watch. Sure Mercedes or Ferrari will win, but you need to pick the best of the rest, and sort out the mid-field runners to do well.

We have been looking into some Rallycross events.

People that compete in them absolutely love them, and it is easy to understand why. You can run your ice racer, street car, or rally-like car and have a blast. Feel free to let us know if this is something you're interested in. The other CASC clubs have waiting lists for their events!

I personally had a great time running around at the Canadian International Autoshow during their press day, and F1's Racing Point launch event. I can be a bit cynical during these, but they do feed you well!

I would also like to thank your Board of Directors.

They keep the club running, and do all the hard work for you. Vice President Paul is on top of membership, including renewals and mailing out decals, badges, and cards. He is the hardest working person I know! Treasurer Rita keeps the books in order, pays our bills, and collects the receipts from all our events. Competition Director Dietmar makes sure all our events have organizers, and that we bring our volunteers out to

put on a great show. Social Director Fred arranges our gatherings and sources the prizes for our various events. Finally, Secretary Graham maintains a record of what we are doing, and also happens to manage the fastest Lucky Dog (formerly Chump Car) team in Canada! You guys (and girl) ROCK!

Of course, you wouldn't be reading this without Nick's efforts putting out Fifth Gear every month. Nick always sends out his reminder for articles, then another reminder just to me, to make sure I get my column in on time (or only a day or two late). He seems to find great photos for the cover, and rounds up some interesting content!

Finally, I love the folks that attend our monthly meetings. There are a dozen hard-core members who have been coming for decades, and I love our social gathering. We have a great time, so please feel free to join us at Turtle Jack's. It's always on the Third Wednesday of the month, and people arrive around 7pm. I hope to see you there!

2019 has gone very well, and I'm looking forward to another great year in 2020.

Rob  
TAC President

## Competition Report 2019

---

### **Dietmar Seelenmayer- Competition Director**

This year the club ran two ORRC events again this year, the January Jaunt rally in January and the Discover Ontario rally in June. We again ran two contract rallies for charitable organizations. We charge for this service, this helps the clubs funds and the charitable groups use it as a fund raiser.

We ran an ice race again in February. Our event ran well in a complete season. No cancelled events.

Time Attack info to follow.

As always I am asking for your results for the events you participated in, this is to help decide on the best member performance for the club awards.

The awards are for the best member performance in :

- Race Driver
- Ice Race Driver
- Performance Rally Driver
- Performance Rally Co-Driver
- Navigational Rally Driver
- Navigational Rally Navigator
- Time Attack Driver
- Autoslalom Driver

If you competed in any of these events please send me your results so we can see if you are eligible for an award.

My email is [dietmar.s@gmail.com](mailto:dietmar.s@gmail.com).

### **Subject: Temporary Solution to Recent concern about Pop-Off-Valve**

**Issue Date: September 23, 2019**

At a recent event there were concerns from some competitors that the pop-off valves were not performing properly. We are looking at the data from cars that had experienced issues, as well as examining and testing some valves to determine the underlying issue.

Until further notice we will not require competitors to have the pop-off valve installed. However, the boost limit of 1.5 bar is still required for competitors with a speed factor of 70 or above. CARS may ask for your data log to confirm operational boost pressures are within this limit.

Thank you

Graham Bruce  
CARS Technical Director
