From The President's Desk

Well, the last month has been a blast!

We had about 20 people come out for the special TAC showing of Speed Sisters, the documentary about the female racing team in Palestine. The movie continues to be shown at festivals around the world, and is getting a great response. It was great to see a few families with young daughters out to see the show!

RSO conducted their AGM. All board positions were filled by acclimation, and business was conducted without issue. It is great to see everyone working by consensus, with another season underway.

The Ontario Time Attack Open House ran on April 2nd, and turnout was excellent. We signed up a number of new TAC members and it was great to see some members return to the fold after a year or more off! The season is looking strong, with the May 14 OTA Performance Driving School over half full. The season will be composed of 6 events and 2 schools this year, and our numbers are looking strong.

Coming up, we have the CASC President's Meeting this weekend. I'll be attending for TAC. This is the meeting where last year's financials are presented, and plans for 2016 are laid out. With CASC offering OTA a special \$25 license (instead of the \$75 class C license), I'm interested to see how things look!

The F1 season has been entertaining. TSN is now carrying Sky Sport's coverage, complete with pre - and post - race shows.

With F1 botching the new qualifying format, there is lots to complain about. Hamilton has been qualifying well, but Rosberg has been winning. It keeps things interesting!

Mosport has been in touch about TAC's corral at the July Mobile 1 Sports Car Grand Prix (formerly the ALMS weekend). We will be back with discounted tickets for members, family & friends, so keep July 7-10 open!

Finally, please check in this issue for information on our special Bowling Night this month. We'll be hitting the lanes for a bit of a change, so please come out and enjoy a social night with the club!

Rob

ATTENTION TAC MEMBERS & GUESTS !

The TAC **April 20th meeting** will be held at an **alternate location** due to the Firkin being temporarily closed for renovations.

This will be a combination TAC meeting and bowling fun night.

Bowling lanes will be reserved.

First ball rolls down the alley at 6:30 for the first lane so getting there a bit ahead of that time allows to get bowling shoes on before the clock starts ticking on the lane.

Plenty of food and drink choices available at the alley.

Useless prizes will be awarded for any and all sorts of scores.

Including gutter balls.

This is not a professional night - more classed as total insane embarrassments. (Just joking)

You don't have to be a regular meeting attender. We will accept any TAC members and their friends.

N° 2016-03

Subject: Vehicle Eligibility and Rallycross Rule Change

Issue Date: April 7, 2016

Effective date: April 25, 2016

Intent and Rationale:

The intent of the rule change is to clarify that for rallycross, all off-road vehicles are excluded from eligibility in events. The Rationale being that Off Highway TYPE of vehicles are constructed to different standards than a vehicle that is intended for use on public roadways, may have a propensity for rollover, may have a limited amount of occupant protection and will not be covered by the insurance that is provided with the CARS sanction. Therefore the rule change below is intended to eliminate the entry of buggies, quads, trikes, motorcycles, motorcycle and sidecar combinations, Side by Sides, RZR's and Gators from CARS sanctioned Rallycross events.

Rallycross rule:

28.3.2 Vehicles

- (a) ~~Vehicles must be based on a production, closed body and~~ comply with CARS N.R.R. 12.4.8 chassis to compete.
- (b) All loose items in the vehicle must be removed during the event (including from the trunk).
- (c) Snap-on hubcaps, detachable fender skirts and trim rings must be removed.
- (d) Tires must be in good condition, with no cord or belts showing or cracks in the tread or sidewalls.
- (e) Mechanical condition and safety of the vehicle is the responsibility of the competitor.
- (f) Vehicles must comply with noise limits as outlined in 12.4.4 Lower noise limits may be set by an Organizer to satisfy local requirements.
- (g) Open top (convertible) vehicles that are fitted with a hard top roof may be permitted to compete at the discretion of the Region Scrutineer. The Scrutineer must take into consideration the course topography, layout and conditions. Convertibles with neither hard top nor Roll Over Protection. are not permitted to compete.

12.4.8 Vehicle Eligibility

The vehicle must be based on a vehicle model that is recognized by Transport Canada as a Passenger Car or Light Truck. All vehicles must be based on production passenger cars or light trucks. Built by a recognized manufacturer. The manufacturer must be listed in the NADA Official Used Car Guide. It is the intent of these rules that all vehicles be based on production vehicles. Eligibility is restricted to vehicles based on street-licencable ed, closed bodied vehicles passenger cars and light trucks. Non-production based vehicles built from the ground up, are explicitly prohibited that are of tube or box frame construction are explicitly forbidden.
