# From The President's Desk

Hard to believe that summer is half over. I have been focusing on daughter Katie's wedding for the past few weeks, and she tied the knot on August 6th.

That date happened to conflict with the Chump Car race that members Graham Tulett and Dan Zorica attended. They had invited me, but unfortunately, we had already set the wedding date. Their team did really well, finishing in the top third of a huge field at the premier race of North America.

Time Attack, like Formula 1, is on its mid-summer break. It picks up again at the TAC/SPDA event at Shannonville on August 20/21. Unfortunately, I will be involved at the Toronto Film Festival then, so won't be able to attend. I know organizer Gary Vernon is looking for volunteers to help (in exchange for

some free lapping), so please reach out to him if you are available.

Please note that your favourite Autosport club is also on its summer break, and we will have no meeting this month. However, September will be busy with the Guru Nanak contract rally. Social Director Fred Walker is organizing, so please reach out to him if you can assist.

In the mean time, enjoy your summer holidays while reading this Fifth Gear as you relax on a beach!

**TAC Executive Committee  
Conference Call  
Wednesday August 3, 2016**

Meeting opened at 8:00pm, Vice President Moore in the Chair.  
Attending the call were the VP, the Treasurer, and the Competition Director.

President's Report: Rob gave a feeble excuse about being the father of a bride in 2 days, as his reason for missing the call. However he did submit a short report which summarized the recent CTMP (Mosport) bbq weekend.  
Twenty four people attended the TAC corral picnic, of which 8 were guests from PMSC. We hope to get more next year!

Vice President's Report: Current membership was 127, with 72 primary members, 48 family members, and 7 life members.

Treasurer's Report: Savings account is \$12,804.67. PayPal currently has \$337.75, and the chequing account has \$1692.69.  
The numbers from the CTMP bbq shows that it cost us a net of \$570.00, which, accounting for the larger attendance than last year, seems proportional to the 2015 loss.

Competition Report: Fred is working on the Guru Nanak contract rally, basing it on an historic Guru rally.  
The Zonta contract rally route is nearly ready for green crewing.  
Time Attack group is offering free lapping at their annual BBQ event on August 20, in exchange for a volunteer to look after the food.  
Graham was away in Texas at the Chumpcar World Series.

Social Director's Report: Rumour has it that Fred has some good ideas for a new meeting location that we can move to starting in September. We will wait to hear his report, with our fingers crossed.

There being no further business before the committee, the call was adjourned at 20:10.

## July 2016 Presidents update

By now you most of you will have heard that Mr. Eric Tremblay, has formed a new Rally business in Quebec, and intends to hold independent events outside of the CARS or ASN Canada FIA sanction and insurance.

CARS, RSQ, and the rest of the regions across Canada are membership driven organizations and I feel that we must help the rally community understand the history and background that has led to this situation. I will explain to the best of my ability what has happened and why.

Six years ago the CARS & RSQ leadership of the day agreed to a contract with Mr. Tremblay that essentially assigned all of the RSQ authority over regional performance rally in Québec to him as a sole supplier and promoter of our Québec regional championship. The contract meant that RSQ was left providing permits and had little or no say on behalf of the membership with respect to our regional rally championship in Québec. The contract also prevented RSQ from sanctioning any regional events in Québec independent of Mr. Tremblay, leaving Rallye Perce Neige, Rallye Baie des Chaleurs and Rallye Défi excluded from the regional championship.

Over the last several years, in consultation with membership, CARS has developed a vision for rally in Canada. This includes a Mission statement and annual goals by which we operate, as well as mechanisms for input from the total rally community. Working with the Board, I believe that we have worked diligently to find a formula that adds to our membership base, increases entry levels, and provides for fair and reasonably priced competition in a fun, volunteer driven environment. One of the fundamental beliefs is that National events need to contain a Regional event component providing access to regional teams, acting as one of the main building blocks of the sport.

The contract between CARS/RSQ and Mr. Tremblay expires at the end of this Calendar year, and renewal efforts that tried to bring the CRQ program into alignment with this vision have not been successful.

I have to give the RSQ leadership, Charlevoix organizers and Québec national event organizers a lot of credit for their genuine desire to have one larger, more cohesive regional championship in Québec. There has been a lot of hard work and often-difficult discussions that have gone on over the past 18 months as RSQ and CARS have tried to engage Mr. Tremblay in an attempt to have him participate as part of the broader rally community in Eastern Canada. Unfortunately Mr. Tremblay's final position was to hold firm on an unacceptable requirement that CARS & RSQ sign a 15-year extension to his contract that gave even more autonomy to Mr. Tremblay,

and required RSQ to issue permits on demand, leaving you, our membership, with little say over the direction of regional rally in Québec.

RSQ, the CARS Board and ASN Canada FIA felt that it was not in the best interests of our membership to sign such an agreement as it clearly violates our mission as a democratically elected volunteer organization designed to serve its membership.

With Mr. Tremblay's announcement of a new organization, we must take this as a clear message that he has no interest in further discussion, as such it is time for us to move on.

Although we have not yet received any supplementary regulations for Rallye Lac-Aux-Sables, which is scheduled for Aug 13<sup>th</sup>, we do expect that Mr. Tremblay will want to finish off the 2016 CRQ season as scheduled.

CARS and the Regional associations of Rallye Sport Québec, Rally Sport Ontario, Rally West, Rally Pacific Motorsports, and Atlantic Region Motor Sports - along with the backing of ASN Canada FIA - are all absolutely on track to continue doing what we do well. Just this week we have published the 2017 National and Regional event calendars to inform the rally community of their championship options and allow for planning into next season. We have hundreds of people who volunteer their time to bring the infrastructure and everything required to host world-class events. Volunteers who love the sport give back countless hours to the membership at large. As a dedicated volunteer myself, I am buoyed by the unwavering support of the regional leadership and event organisers as we work to make rallysport the best it can be in Canada.

In closing, let me be one of the first to wish Mr. Tremblay well with his new business venture. He has organized many events over the years and will be missed as a contributing member of CARS and RSQ communities.

If you have any questions whatsoever please contact any of the CARS or Regional board members.

Regards

John Hall  
President  
Canadian Association of Rallysport
