FROM THE PRESIDENT'S DESK

I've got the February Blahs.

My Ice Racer will likely not see the track this year.

When I picked up the car, I knew it needed work. Our former Competition Director, Dietmar, had done much of the prep work, but the car wasn't running as it needed a new starter. Not a problem. Dietmar gave me 4 spares to drop in. Sure enough, the best looking of the bunch wasn't too hard to install, and worked like a charm.

However, I wasn't expecting the clouds of smoke that came pouring out of every nook and cranny along the exhaust system. I'm not sure if the problem is engine internals, or gaskets, but at the present time, the car is sitting in the trailer.

I also noticed a soft brake pedal, and found a pool of brake fluid under the car. I'll tackle that problem first, then get the car to someone who can tell me what is going on under the hood.

Given that the car is 24 years old, and has 650,000kms on the odometer, it doesn't owe anyone very much.

Missing the Ice Race weekend earlier this month freed me up to work the CASC booth at the Canadian Motorsports Expo. I really enjoy chatting to people about getting into the sport, and there were lots of people interested. Of course, there were many people out to get Kyle Busch's autograph, but they knew to steer clear of a booth featuring a touring and formula cars.

Lots of people were intrigued by the race cars, but were looking for something easier to get into. When they heard about AutoSlalom and Time Attack, they got excited. Feedback was better than it has been in years, so this looks like it will be a busy track season! While it's tempting for me to offer my BMW race car (yes, it's still for sale) to these folks, I did suggest that the best way to get into our sport was to start off gradually. Most were excited to find out that we offer a way for them to run their street cars on Ontario's best race tracks.

The Ontario Time Attack series had their flyer at the show, and it could be a very interesting season, with some new twists this year. We start off with the usual Open House, but it will be at JRP in Mississauga on April 7th. The school

will be at Mosport's Driver Development Track on the May 4/5 weekend, then events run monthly starting later in May. TAC is co-organizing the school, as we have many times in the past. Anyone interested in coming out to help would be very welcome!

TAC's event is the July 13/14 weekend in Grand Bend. Between Carsten Gieschen, Kelly Ball, and I, we should be able to throw a great event. Grand Bend is a fun summer resort on Lake Huron, with a huge beach (great for the kids that don't want to hang around the track), nice restaurants, and lots for both racers and non-racers to do. And it's only 2 1/2 hours from Toronto (or 20 minutes from my cottage).

In the past, Time Attack has used PAX adjusted scores to determine an overall winner from amongst the class winners. This year, however, everyone who completes the minimum necessary events (5 out of 7) will get to run for free in a championship shoot-out. It will be held in conjunction with the CASC Celebration race weekend, on Sunday September 29th. It will definitely be worth-while running at least 5 events, just to get the free date at the end of the season. Save a good set of tires, and you could end up as overall champion!

Well, February is definitely getting me down. My Excursion tow vehicle is in at the dealer, and he just called to tell me that they found more things wrong with it. Driving my daughter's 1998 BMW 328i instead, I noticed that a wheel bearing's gone. What does it say when your race car is the best running vehicle in your garage.

The Rallysport Ontario Annual General Meeting will take place on March 16th. This meeting is always interesting, and I encourage anyone to attend. If you can't make it, please email me with your proxy information. Please see the announcement later in this issue.

Notice of 2012 Annual General Meeting of RallySport Ontario

The 2012 Annual General Meeting of RallySport Ontario will be held on Saturday, March 16, 2013, at 10 o'clock in the forenoon at the following location:

Baker's Hill Banquet Centre
555 Parkhill Road East (at Television Road)
Peterborough, Ontario K9L 1C2

(Note: Google maps and Garmin, etc. databases will not provide the correct directions using this address. Use 555 Parkhill Road East, Otonabee–South Monaghan, Peterborough County, Ontario, if you plan to rely on these directions.)

Elections to be held at this meeting:

President – Two-year term (Incumbent Ray Felice)

Vice President, Performance – Two-year term (Incumbent Warren Haywood)

Treasurer – Two-year term (Vacant as of January 1, 2013. Previously held by Peter Gulliver)

Trustee – Three-year term (Incumbent Peter Gulliver)

There will be a Special General Meeting before the Annual General Meeting. Its purpose is to discuss two motions (attached below): the first, to create a sixth RSO Director, that of Region Rally Director. Should the motion pass, the position will be included in the elections held in the subsequent Annual General Meeting. The second motion is to make the Region Rally Director a non-voting position on the RSO Board of Directors.

The first motion is put forward by the RSO BoD:

Intent:

To create a new RallySport Ontario (RSO) Board of Directors (BoD) position to be the RSO representative on the Canadian Association of Rally Sport (CARS) Board.

Whereas, currently the RSO President is the RSO representative on the CARS Board; and,

Whereas, the time and effort required to both look after the concerns of RSO and to represent RSO to CARS is demanding; and,

Whereas, this split in duties is to the detriment of both organizations; and,

Whereas, the interests and expertise required for the two positions may differ;

Therefore, be it resolved to amend the relevant sections of the RSO bylaws as follows to create the position of Region Rally Director.

Relevant parts of the RSO Bylaws:

4. BOARD OF DIRECTORS

4.1 The property and business of the Corporation shall be managed by a Board of five Directors of whom three shall constitute a quorum. Directors must be members, individuals, at least 18 years of age.

Resolution - to amend Section 4.1 to read: The property and business of the Corporation shall be managed by a Board of ~~five~~ **six** Directors of whom ~~three~~ **four** shall constitute a quorum. Directors must be members, individuals, at least 18 years of age.

4.2 Directors shall be elected for a term of two years by the members at an Annual Meeting of the Membership. Beginning in 1994 three of the Directors shall be elected to a one-year term and two of the Directors shall be elected to a two-year term. Subsequently, three Directors shall be elected in odd-numbered years, two in even-numbered years. Each Director's term in office shall be no more than two years unless re-elected at the appropriate General Meeting of the Corporation.

Resolution - to amend 4.2 to read: "~~two~~ three in even-numbered years."

8. OFFICERS

8.1 The Officers of the Corporation shall be the President, two Vice Presidents, a Secretary and a Treasurer and any such other Officers as the Board of Directors may by by-law determine.

Resolution - to amend 8.1 by adding the words “a Region Rally Director” after the words “two Vice Presidents.”

8.2 All Officers of the Corporation shall be elected at an Annual Meeting of the Members.

8.3 The Officers of the Corporation shall hold office for 2 years from the date of appointment or election or until their successors are elected or appointed in their stead. Officers shall be subject to removal by resolution of the Board of Directors at any time. In 1994 the Offices of President, one Vice President and the Treasurer shall be elected to a one-year term and the Offices of one Vice President and the Secretary shall be elected to a two-year term. Subsequently, the President, one Vice President and the Treasurer shall be elected in odd-numbered years; one Vice President and the Secretary in even-numbered years. Each Officer's term in office shall be no more than two years unless re-elected at the appropriate General Meeting of the Corporation.

Resolution - to amend 8.3 by adding the words “the Region Rally Director” after the words “one Vice President” and before the words “and the Secretary in even-numbered years.”

Resolution - to amend section 8 by adding 8.4, to read: “Should no person be elected to the position of Region Rally Director, the Board of Directors may appoint a person to the position; or, one of the Directors may assume the duties of the position. Should a Director assume the Region Rally Director duties as well as the duties of his/her own position, said Director will have one vote on the Board of Directors, and three will constitute a quorum of the Board.”

9. DUTIES OF OFFICERS

9.1 The President shall be the Chief Executive Officer of the Corporation. He/she shall preside at all meetings of the Corporation and of the Board of Directors. He/she shall have the general and active management of the affairs of the Corporation. He/she shall see that all orders and resolutions of the Board of Directors are carried into effect.

9.2 The Vice Presidents shall, in the absence or disability of the President, perform the duties and exercise the powers of the President, either jointly or individually by mutual agreement. They shall administer or cause to be administered all rallysport events organized by the Corporation in the Province of Ontario. They shall oversee or cause to be overseen all rallysport activities sanctioned by the Corporation.

Resolution - to amend 9. by adding a new sub-section, 9.5, to read: “The Region Rally Director shall represent the best interests of RallySport Ontario on the Canadian Association of Rally Sport board, through consultation with the RSO BoD. He/she will participate in all CARS meetings, including, but not limited to, conference calls and the CARS Annual General Meeting; and will participate in all RSO meetings, including, but not limited to, conference calls and the RSO Annual General Meeting. He/she will report to the RSO Board all such CARS business that he/she is permitted.

Moved by the RallySport Ontario Board of Directors.

The second motion is put forward by Peter Watt (PMSC), should the position of Rally Director be created.

Move that "The Position of Rally Director be a non-voting member of the RSO Board of Directors."

Rationale: The mandate of the RSO board is to promote rally activities in Ontario. By adding an additional board member whose focus is on CARS activities, there may be occasions when this places that member in a conflict-of-interest position regarding voting on RSO business. By having the position as a non-voting one, the function of the Rally Director would be one of acting

as the official liaison between CARS and RSO while still giving the RSO focused board full responsibility to fulfill their mandate.

The Annual General Meeting will take place after the Special General Meeting.

Discussion item:

Executive annual reports will be presented.

Awards and banquet will follow at 1 o'clock in the afternoon.
