From The President's Desk

Welcome to the new year. We start the year off full of hope and optimism. However on January 20th, Donald Trump takes over the most powerful country in the world. Well, let's just get out and race!

The year kicked off with the return of TAC's January Jaunt Navi Rally. Organizer Kurt Seelenmayer swung by and picked up an old flyer from the TAC Archives, so we had a DKW featured on the event handouts. More than one participant mentioned to me that it meant a lot to them!

The event ran very well. There were 32 entrants in 16 cars. We thought we'd lost some when they missed the early checkpoints, but they got back on track, and all 16 cars finished. As usual, Kurt included some interesting tricks, and great checkpoint locations. We had a great time at the Royal Coachman, having dinner, and listening to the stories. As the first rally of the year, the Jaunt is always popular. Thanks to Kurt for getting it up and running once again!

TAC's Ice Race weekend runs February 11/12 - one of the highlights on the club's race calendar. Wife Sue and I will be there helping out. This year, with Paul & Rita away, Heather will be the organizer, Sue will be the registrar, and I will be her helper. PLEASE have your registration done on MotorSportReg.com in advance, or I'll be lost, and the registrar will be coming after me for screwing something up.

Here's to cold weather and lots of snow. I'm always hopeful that we'll get in 6 weekends without a rain date. I really need to share a car and get out there. It looks like a blast.

VP Paul is still organizing volunteers, and can always use more help. Feel free to drop him a note if you are available. It's a great deal if you can help, with your hotel and meals covered.

I'm also involved in the Time Attack season planning. We're looking at doing 6 events and 2 schools again this year. The series ran well last year with events well attended. We are working closer with CSCS, avoiding competing weekends. We're hoping people run our series, and supplement events with CSCS dates. You can expect to see our schedule published shortly, including the Open House date - typically in early April.

Please renew your membership if you haven't yet. The easiest way is on the www.torontoautosportclub.ca web site. We accept Interac eTransfers, Paypal, or good old cheques. You can even pay cash if you come out to a meeting.

Speaking of meetings, we will be at our NEW LOCATION this month. Please come to the Dub Linn Gate Irish Pub at Hwy 7 just east of the 400 for our January 18 date. Most people arrive around 7 for drinks and a bite, then we get down to business at 8pm.

I do have a dark secret to share. Some people collect Nazi memorabilia. I ended up with a Trump hat. I mentioned a couple of issues back that I picked up some Trump gear when I was in Florida just before the elections. I gave most of it away at Christmas time (to great amusement), but kept a hat. This way I'll be ready for the invasion later this year. But please do not share this photo with anyone. I'm planning on being a double agent under the new regime to ensure our race events will continue to run!

Enjoy your long, cold winter.

Rob McAuley

2017 January Jaunt Results

[Entrants](#)

[Leg A Results](#)

[Leg B + Overall Results](#)

With -10° C temperatures, bright sunny weather during the day and a dusting of snow after dusk, the Toronto Autosport Club's 58th anniversary January Jaunt navigational car rally kicked off 2017 to a good start. This first event of this year's Ontario Road Rally Championship (ORRC) was an endurance style winter navex, with challenging instructions to keep navigators on their toes, and a selection of roads to entertain drivers. The first car left the traditional start location at the Royal Coachman restaurant in Waterdown at 12:01 PM. The final car checked in at 8:19 PM; preliminary results were posted at 8:31 PM, and awards were handed out at 9:15 PM.

With a change in regional rules that eliminated the small Intermediate class, there was a record seven Expert teams competing. The instructions were challenging, with navigators reporting constant entertainment, and drivers enjoying some of the roads. A couple of teams added their own tricks to enhance the navigational "pleasure" of the event. Congratulations go out to first place Alain and Louis Cabardos (2016 ORRC series champions), and second place Chris Johnson and Brandon Pace (running Expert for the first time).

Nine Novices entered in 2017, including many beginner (first-time rallyist) crews. A Beginner's Quick Start guide was distributed and co-organizer Nick Parry held a quick training session to help with navigation. All first-time crews held up to the challenge (with some reporting that the navigation "was a lot of fun"), and all made it to the finish without missing a single checkpoint, although the intricacies of rally timing was (intentionally) not the focus of first-timers. New rallyists should note that RallySport Ontario club membership is required to score in the series, and Novices can join one of the RSO clubs to score points retroactively from the Jaunt. (The clubs are BEMC, KWRC, MCO, MLRC, PMSC, SPDA, St. LAC or, of course, TAC.)

The top three Novices earned awards in the event. Returning Novices Andrew and Teresa Marek secured first place by a good margin. The Michigan-based team of Torry Skurski and Chris Holland placed second, and Kris Baily and Jacob Kirshner placed third.

As a challenging navigational event, we resurrected the "Press-On-Regardless" award to honour the team that perseveres at the rally, overcoming a significant challenge to finish the event. The team selected for this had trouble in the first leg, missing four checkpoints. They seemed very calm and collected at the break, and came back in the second leg with the lowest leg B score of anyone in the rally, although unfortunately still placing last overall. The 2017 POR recipients were Emile Cabardos, as "Most Persistent Driver", and Jon Reid, the "Most Persistent Navigator".

Thanks to all entrants, and workers. TAC checkpoint crews: Sandy Grant, Rachel Grant, and Dietmar Seelenmayer; Steve Martin; Brian Maxwell; Rob and Sue McAuley; Fred Walker and Jane Worobess (who also did a great job at registration); and Steve Van Rees (KWRC). The KWRC greencrew of Roger Sanderson and Dennis Wharton put in a lot of effort to review and suggest refinements to the instructions and speeds, which helped make the event manageable. And special thanks to co-organizer Nick Parry, and to Rita Moore and Dietmar for helping with administrative preparations for the event.

The next ORRC is coming up quickly: the KWRC Frostbite rally on February 21, organized by RSO VP Navigational Darin Mayes.

See you on the road!

Kurt Seelenmayer,

Co-Organizer, TAC 2017 January Jaunt
