# From The President's Desk

It's a New Year!

We survived the Christmas holidays, though 2 of the 4 air passengers that arrived on December 22nd arrived without luggage. Air Canada was able to track us down, between Toronto, the cottage, and Essex, and all bags were delivered within 4 days of arrival. Christmas was saved!

Niece Kaithlyne and Former-Nanny Rowena were able to deliver the borrowed classic BMW 530i to the parking lot by JolliBee, the Filipino fast food restaurant by the airport, so we had our necessary 2 cars for the holidays. We were able to arrange an extra parking pass in our condo for the days we were there. That was touch and go, as there are limited spots available. As I was negotiating with our Concierge to give us a spot ("They can park in our spot, as our car will be gone!" I lied), another tenant announced that she had booked one of the spots "cause you never know who might want to visit". Problem solved.

Everyone had a great holiday, with lots running around, family visits, and a blow-out New Years Eve sleep-over party at the cottage for 20 people. Then they all flew out at the same time on January 2nd.

Most of the mess is tidied, and things will return to normal real soon now.

TAC's January Jaunt Nav Rally went off without a hitch on January 5th. Kurt and Nick put together a great route out of Waterdown, and running all over the escarpment. Wife Sue and I checkpointed, and all participants looked like they were having a blast. Kurt finds the best checkpoint locations, and even though you could see the brake lights on the cars hitting the checkpoint over the hill 300m ahead of us, almost all cars were caught out. You'd think people would know by now that the Jaunt always throws this sort of thing at you. With 30

participants in 15 cars, this was one of the most popular Jaunts in a while.

Next up is Ice Racing. People are getting their cars Tech'd on the January 12th weekend, and racing starts on the 19th.

TAC's weekend is February 16/17. That's Family Day weekend, so come out on Saturday & Sunday, then recover on holiday Monday. We always have a great time with TAC volunteers running around.

The A Team are always entertaining, whether it's crazy hats, or T-Rexes making havoc of the Driver's Meeting. If you volunteer, we'll put you up for a night, and feed you. Check out the flyer in this Fifth Gear, and let Organizer Paul know you are available. We'll find a job for everybody.

And before you know it, Time Attack and Autoslalom will be having their Open House in early April, and everyone will be prepping for our summer track events, rallies, and social events.

Don't get caught out! Renew your membership if you haven't already done so!

Have a great winter.

Rob

TAC President

# January Jaunt — 2019 Results

The roads were muddy with residual snow and ice in places, as 15 competitors joined the 60th anniversary running of the January Jaunt. With spring weather this January 5th, the challenge was with the instructions, especially in Leg B, however all cars made it to the finish to join a celebration of stories.

For the first time in recent Jaunt history, experts outnumbered novices! Leg B instructions were perhaps a little challenging after dark for some expert competitors, although the scores were tight near the top of the table. Congratulations to the expert award winners: third place Alain and Louis Cabardos (Car 1); second place Roger Sanderson and Dennis Wharton (Car 14); and first place Adrian Marzetti and Stephen Laye (Car 3), in their first event as experts!

The novice class consisted of a couple of seasoned teams and several beginners, including a few teams running for the first time — well done to all for working through the event! Congratulations to the top three novice award winners: third place Raphael Cabardos and Mike Chomitz (Car 2); second place Billy Last and Mathieu Masaro (Car 13); and first place Eric Vanderwal and Rohit Walia (Car 4).

A special thanks go out to the workers at this year's Jaunt: Rob Jones and Janet Tse–Jones; Rob and Sue McAuley; Dietmar Seelenmayer; Fred Walker; Steve Martin and Jason Pedro; and to the greencrew of Ian Lalonde and Murray Dammeier.
