FROM THE PRESIDENT'S DESK

Spring is in the Air!

So my Ice Racing season was a bust. The Audi may be salvageable for next year, so I won't leave things until the last minute next time (famous last words).

Congrats to Andy Hughes for directing a good season, as well as the TAC Class and Overall winners! The results are printed later in this issue.

The next event coming up is the RSO AGM on March 16. You will likely be reading this after the event has taken place, but wife Sue and I will be attending. I'm looking forward to seeing who will take over for Ray Felice as President and CARS Rep, and how the labour will be divided up. The AGM is always a good time to hook up with the rally organizers in all the clubs, and hear the plans for the coming season.

TAC has a busy spring planned! First, we'll be at the Ontario Time Attack open house on April 7th. If you are interested in very safe time trials on some of Ontario's best tracks, then check us out. It's easy to get your questions asked, and car classified. You can also pre-register for events to save some dollars.

TAC's Discover Ontario Rally will run June 22. Please come out, and bring a friend! This rally is beginner friendly, and participants get some great views of escarpment country in Ontario. We only had 4 cars running in this event last year, so we need to attract more people. Brooke puts a tonne of effort into the rally, so let's support his efforts!

Brooke and Mitch have also just updated their F1 Fantasy League. If you haven't tried this, you definitely should. You build your team, and see how they do after each F1 race. Although their efforts are not sanctioned by the club, there are many club members who participate. It makes Formula 1 races much more interesting to watch!

There's a full Time Attack season coming up, as well as the ALMS race on July 20-22. TAC will once again be hosting our special barbecue, and will have discounted tickets for members, friends, and family. Please set aside that weekend for our premier social event of the year!

See you at the track,

Rob McAuley
TAC President

Rob McAuley draws some PetroCanada gas cards for a lucky racer at the Minden TAC Ice Race drivers meeting last month, assisted by Nick Majors, with organizer and Magnum series co-ordinator Andy Hughes

BUILDING QUALITY RALLY CAGES SINCE 1972

Canadian Automobile Sport Clubs Ontario Region

CASC-OR, the Official Sanctioning Body of Motorsports in Ontario.

Registration for the 2013 CASC-OR Race Licencing School is now open!

Date: Saturday, April 27th and Sunday, April 28th

Location: Shannonville Motorsport Park

The two day school is intended to provide a venue for aspiring race drivers to obtain the requisite training for a novice regional licence for racing, though this is not a requirement for entry – all are welcome to participate. To successfully complete the school, students must perform each of the car handling exercises in a competent manner, as well as pass a written exam.

Payment:

The fee for the school is \$795.00 Cdn. In order to register, you must complete the application form and forward it, along with a minimum deposit of \$400.00, to CASC-OR. In order to guarantee your place in the school the balance of the \$795.00 fee must be received by April 12th.

Schedule:

On Saturday, the track gates and registration will open at 7:00AM. There will be a 'meet-and-greet' on the fourth floor of the tower starting at 8:00AM so you should arrive no later than 7:30AM. You can access the fourth floor via the stairs at the east end of the tower (opposite the picnic area). The classroom session will begin at 8:30AM. The day will end around 5:00PM. The two days will be divided into alternating classroom sessions and track time – with a one-hour lunch break each day. Lunch will be provided.

On Sunday, the track gates will open at 7:00AM. The first classroom session starts at 8:00AM, so you should arrive no later than 7:45AM.

CASC Regulations:

The Racing Regulations are at http://www.casc.on.ca/sites/default/files/2013_race_regulations.pdf. It is recommended these be studied prior to the school weekend if you intend to apply for your road-racing licence. Pay particular attention to those sections on *Race Officials*, *Flag Signals and Rules of the Road* and *Rules of the Pits and Paddock*.

Eligibility:

In order to be eligible to participate in the school, each prospective student must be a member of a CASC-OR affiliated club and hold a valid driver's licence.
